IMPORTANT NOTICES

We suggest you read the following guide to buying at BCVA in conjunction with our full Terms & Conditions at the back of the catalogue.

HOW TO BID

To register as a buyer with us, you must register online or in person and provide photo and address identification by way of a driving licence photo card or a passport/identity card and a utility bill/bank statement. This is a security measure which applies to new registrants only.

We operate a paddle bidding system. Lots are offered for sale in numerical order and we usually offer approximately 80-120 lots per hour. We recommend that you arrive in plenty of time before the lots you are wishing to bid on are up for sale.

ABSENTEE BIDS

If you cannot attend an auction in person, BCVA can bid on your behalf, acting upon your instructions to secure an item for you at the lowest possible price as allowed by other bids and reserves.

You can leave bids in person, through our website, by email or telephone - detailing your intended bids clearly, giving your price limit for each lot (excluding Buyer's Premium and VAT). We cannot accept liability for failure to execute such bids or for errors or omissions. All bids must be received before the start of the sale (10am GMT) in order to ensure placement. If we receive more than one bid of the same value the first one received will take precedence. Bids may be rounded down to the nearest amount consistent with the auctioneers bidding increments.

ONLINE BIDDING

To register for live bidding or to follow the sale online please visit www.ibidder.com, this service incurs an additional fee of 3% of the hammer price (plus VAT, if applicable).

CONDITION REPORTS

All goods are excluded from the Sale of Goods Act 1979 and sold as seen. Bidders must satisfy themselves as to the condition of each lot. Condition reports will be made available on our website wherever possible and are available on request via our email, our website, or ibidder.com. Requests for condition reports must be submitted by 4pm on the day prior to the auction. Please note that we are unable to give verbal condition reports for any lot.

BUYER'S PREMIUM

All items in our auction are subject to buyer's premium of 20% plus VAT (24% in total) which will be added to the hammer price for items up to £150,000. The commission then reduces to 12% plus VAT for items with a hammer price of £150,001 and over.

In the event that a lot has an asterisk (*) beside the lot number in the catalogue, this indicates that the item is owned by an entity or company required to pay VAT for which an extra 20% is payable on the hammer price. Normal buyer's premium applies.

PAYMENT & COLLECTION

All items must be paid for and collected within 3 working days of the auction. Payment methods are: bank transfer cash (up to £9,000), debit or credit card with chip and pin. We do not accept card payments over the phone, cheques, American Express or Diners Club cards.

These Conditions of Sale and Business constitute the contract between Bristol Auction Rooms / BCVA (the "Auctioneer") and the seller, on the one hand, and the buyer on the other. By bidding at the auction, you agree to be bound by these terms.

INFORMATION FOR BUYERS

- 1. Introduction.** The following informative notes are intended to assist Buyers, particularly those inexperienced or new to our salerooms. All sales are conducted on our printed Conditions of Sale which are readily available for inspection and normally accompany catalogues. Our staff will be happy to help you if there is anything you do not fully understand.
- 2. Agency.** As auctioneers we usually contract as agents for the seller whose identity, for reasons of confidentiality, is not normally disclosed. Accordingly if you buy your primary contract is with the seller.
- 3. Estimates.** Estimates are designed to help buyers gauge what sort of sum might be involved for the purchase of a particular lot. The lower estimate may represent the reserve price and certainly will not be below it. Estimates do not include the Buyer's Premium or VAT (where chargeable). Estimates are prepared some time before the sale and may be altered by announcement before the sale. They are in no sense definitive.
- 4. Buyer's Premium.** The Buyer agrees to pay a buyer's premium on the hammer price of each lot purchased. The buyer's premium is 20% (24% including VAT) of the hammer price on each lot up to and including £150,000, plus 12% (14.40% including VAT) for any amount in excess of £150,000. VAT at the prevailing rate of 20% is added to all of these premiums and additional charges as defined below.
- 5. VAT.** (*) indicates that VAT is payable by the purchaser at the standard rate (presently 20%) on the hammer price as well as being an element in the buyer's premium. This imposition of VAT is likely to be because the seller is registered for VAT within the European Union and is not operating the Dealers Margin Scheme or because VAT is due at 20% on importation into the UK. The double symbol (**) indicates that the lot has been imported from outside the European Union and the present position is that these lots are liable to a reduced rate of VAT (5%) on the gross lot price (i.e. both the hammer price and the buyer's premium). Lots which appear without either of the above symbols indicate that no VAT is payable on the hammer price. This is because such lots are sold using the Auctioneers' Margin Scheme and it should be noted that the VAT included within the Premium is not recoverable as input tax.
- 6. Descriptions and Conditions.** All goods are excluded from the Sale of Goods Act 1979 and sold as seen. Condition reports are provided on our website or upon request. The absence of a report does not imply that a lot is without imperfections. The detail in a report will reflect the estimated value of the lot, and large numbers of such requests received shortly before the sale may not receive a response to all lots. Members of staff are not trained restorers or conservators and, particularly for higher value lots, you should obtain an opinion from such a professional. We recommend that you always view a lot in person.

We are, primarily, agents for the seller. We are dependent on information provided by the seller and whilst we may inspect lots and act reasonably in taking a general view about them we are normally unable to carry out a detailed or any examination of lots in order to ascertain their condition in the way in which it would be wise for a buyer to do. Intending buyers have ample opportunity for inspection of goods and, therefore, accept responsibility for inspecting and investigating lots in which they may be interested. Please note carefully the exclusion of liability for the condition of lots contained in the Conditions of Sale. Neither the seller nor we, as the auctioneers, accept any responsibility for their condition. In particular, mechanical objects of any age are not guaranteed to be in working order. However, in so far as we have examined the goods and make a representation about their condition, we shall be liable for any defect which that examination ought to have revealed to the auctioneer but which would not have been revealed to the buyer had the buyer examined the goods. Additionally, in specified circumstances lots misdescribed because they are 'deliberate forgeries' may be returned and repayment made. There is a 3 week time limit. (The expression 'deliberate forgery' is defined in our Conditions of Sale).
- 7. Electrical goods.** These are sold as 'antiques' only and if bought for use must be checked over for compliance with safety regulations by a qualified electrician first.
- 8. Export of goods.** Buyers intending to export goods should ascertain (a) whether an export licence is required and (b) whether there is any specific prohibition on importing goods of that character because, e.g. they may contain prohibited materials such as ivory. Ask us if you need help.
- 9. Bidding.** Bidders may be required to register before the sale commences and lots will be invoiced to the name and address on the registration form. Some form of identification may be required if you are unknown to us. Please enquire in advance about our arrangements for telephone bidding.
- 10. Commission bidding.** Commission bids may be left with the auctioneers indicating the maximum amount to be bid excluding buyers' premium. They will be executed as cheaply as possible having regard to the reserve (if any) and competing bids. If two buyers submit identical commission bids the auctioneers may prefer the first bid received. Please enquire in advance about our arrangements for the leaving of commission bids.
- 11. Methods of Payment.** The following methods of payment are acceptable:

Debit Card drawn on a UK bank and registered to a UK billing address. There is no additional charge for purchases made with these cards.

Bank transfer direct to our bank account, all transfers must state the relevant invoice number. If transferring from a foreign currency, the amount we receive must be the total due in pounds sterling (after currency conversion and the deduction of any bank charges). Our bank details can be found on the front of your invoice or in the sale catalogue under 'Important Notices'.

Sterling cash payments of up to £12,000 (subject to money laundering regulations). All major UK issued credit cards registered to a UK billing address with the exception of American Express and Diners Club. Collection and storage. Please note what the Conditions of Sale state about collection and storage. It is important that goods are paid for and collected promptly. Any delay may involve the buyer in paying storage charges.
- 12. Droit de suite royalty charges.** From 1st January 2012 all UK art market professionals (which includes but is not limited to; auctioneers, dealers, galleries, agents and other intermediaries) are required to collect a royalty payment for all works of art that have been produced by qualifying artists each time a work is re-sold during the artist's lifetime and for a period up to 70 years following the artist's death. This payment is only calculated on qualifying works of art which are sold for a hammer price more than the UK sterling equivalent of EURO 1,000 - the UK sterling equivalent will fluctuate in line with prevailing exchange rates.

It is entirely the responsibility of the buyer to acquaint himself with the precise EURO to UK Sterling exchange rate on the day of the sale in this regard, and the auctioneer accepts no responsibility whatsoever if the qualifying rate is different to the rate indicated.

All items in this catalogue that are marked with **δ** are potentially qualifying items, and the royalty charge will be applied if the hammer price achieved is more than the UK sterling equivalent of EURO 1,000. The royalty charge will be added to all relevant buyers' invoices,

and must be paid before items can be cleared. All royalty charges are passed on to the Design and Artists Copyright Society ('DACS'), no handling costs or additional fees with respect to these charges will be retained by the auctioneers.

The royalty charge that will be applied to qualifying items which achieve a hammer price of more than the UK sterling equivalent of EURO 1,000, but less than the UK sterling equivalent of EURO 50,000 is 4%. For qualifying items that sell for more than the UK sterling equivalent of EURO 50,000 a sliding scale of royalty charges will apply - for a complete list of the royalty charges and threshold levels, please see www.dacs.org.uk. There is no VAT payable on this royalty charge.

TERMS OF CONSIGNMENT FOR SELLERS

- 1. Interpretation.** In these Terms the words 'you', 'yours', etc. refer to the Seller and if the consignment of goods to us is made by an agent we assume that the Seller has authorised the consignment and that the consignor has the Seller's authority to contract. Similarly the words 'we', 'us', etc. refer to the Auctioneers.
- 2. Warranty.** The Seller warrants that possession in the lots can be transferred to the Buyer with good and marketable title, free from any third party right and encumbrances, claims or potential claims. The Seller has provided all information concerning the items ownership, condition and provenance, attribution, authenticity, import or export history and of any concerns expressed by third parties concerning the same.
- 3. All commissions and fees are subject to VAT at the prevailing rate.**
- 4. Commission is charged to sellers, rates to be confirmed upon consignment of goods.**
- 5. Removal costs.** Items for sale must be consigned to the saleroom by any stated deadline and at your expense. We may be able to assist you with this process but any liability incurred to a carrier for haulage charges is solely your responsibility.
- 6. Loss and damage of goods.**
 - (a) Loss and Damage Warranty - Bristol Auction Rooms / BCVA is not authorised by the FSA to provide insurance to its clients, and does not do so. However Bristol Auction Rooms / BCVA for its own protection, assumes liability for property consigned to it at the lower pre-sale estimate until the hammer falls. To justify accepting liability, Bristol Auction Rooms / BCVA makes a charge of 1.5% of the hammer price plus VAT, subject to a minimum charge of £1.50, or if unsold 1.5% of our lower estimate. The liability assumed by Bristol Auction Rooms / BCVA shall be limited to the lower pre-sale estimate or the hammer price if the lot is sold.**
 - (b) If the owner of the goods consigned instructs us in writing not to take such action, the goods then remain entirely at the owners risk unless and until the property in them passes to the Buyer or they are collected by or on behalf of the owner, and clause 6 (a) is inapplicable.**
- 7. Illustrations.** The cost of any illustrations is borne by you. The copyright in respect of such illustrations shall be the property of us, the auctioneers, as is the text of the catalogue.
- 8. Minimum bids and our discretion.** Goods will normally be offered subject to a reserve agreed between us before the sale in accordance with clause 9. We may sell Lots below the reserve provided we account to you for the same sale proceeds as you would have received had the reserve been the hammer price. If you specifically give us a "discretion" we may accept a bid of up to 10% below the formal reserve.
- 9. Reserves.**
 - (a) You are entitled to place prior to the auction a reserve on any lot consigned, being the minimum hammer price at which that lot may be sold. Reserves must be reasonable and we may decline to offer goods which in our opinion would be subject to an unreasonably high reserve (in which case goods carry the storage and loss and damage warranty charges stipulated in these Terms of Consignment).**
 - (b) A reserve once set cannot be changed except with our consent.**
 - (c) Where a reserve has been placed only we may bid on your behalf and only up to the reserve (if any) and you may in no circumstances bid personally.**
 - (d) Reserves are not usually accepted for lots expected to realise below £100**
- 10. Electrical items.** These are subject to detailed statutory safety controls. Where such items are accepted for sale you accept responsibility for the cost of testing by external contractors. Goods not certified as safe by an electrician (unless antiques) will not be accepted for sale. They must be removed at your expense on your being notified. We reserve the right to dispose of unsafe goods as refuse, at your expense.
- 11. Soft furnishings.** The sale of soft furnishings is strictly regulated by statute law in the interests of fire safety. Goods found to infringe safety regulations will not be offered and must be removed at your expense. We reserve the right to dispose of unsafe goods as refuse, at your expense.

The rights of disposal referred to in clause 10 and 11 are subject to the provisions of The Torts (Interference with Goods) Act 1977, Schedule 1, a copy of which is available for inspection on request
- 12. Descriptions.** Please assist us with accurate information as to the provenance etc. of goods where this is relevant. There is strict liability for the accuracy of descriptions under modern consumer legislation and in some circumstances responsibility lies with sellers if inaccuracies occur. We will assume that you have approved the catalogue description of your lots unless informed to the contrary. Where we are obliged to return the price to the buyer when the lot is a deliberate forgery under Condition 15 of the Conditions of Sale and we have accounted to you for the proceeds of sale you agree to reimburse us the sale proceeds.
- 13. Unsold.** If an item is unsold it may at our discretion be re-offered at a future sale. Where in our opinion an item is unsaleable you must collect such items from the saleroom promptly on being so informed. Otherwise, storage charges may be incurred. We reserve the right to charge for storage in these circumstances at a reasonable daily rate.
- 14. Withdrawn and bought in items.** These are liable to incur a charge of 15% commission, 1.5% Loss and Damage Warranty and any other costs incurred including but not limited to illustration and restoration fees all of these charges being subject to VAT on being bought in or withdrawn after being catalogued.
- 15. Conditions of Sale.** You agree that all goods will be sold on our Conditions of Sale. In particular you undertake that you have the right to sell the goods either as owner or agent for the owner. You undertake to compensate us and any buyer or third party for all losses liabilities and expenses incurred in respect of and as a result of any breach of this undertaking. We will also, at our discretion, and as far as practicable, confirm that an item consigned for sale does not appear on the Art Loss register, which is administered by an independent third party.
- 16. Authority to deduct commission and expenses and retain premium and interest.**
 - (a) You authorise us to deduct commission at the stated rate and all expenses incurred for your account from the hammer price and consent to our right to retain beneficially the premium paid by the buyer in accordance with our Conditions of Sale and any interest earned on the sale proceeds until the date of settlement.**

(b) You authorise us in our discretion to negotiate a sale by private treaty not later than the close of business 48 hours after the day of sale in the case of lots unsold at auction, in which case the same charges will be payable as if such lots had been sold at auction and so far as appropriate these Terms apply.

17. Warehousing. We disclaim all liability for goods delivered to our saleroom without sufficient sale instructions and reserve the right to make minimum warehousing charge of £10 per lot per day. Unsold lots are subject to the same charges if you do not remove them within a reasonable time of notification. If not removed within three weeks we reserve the right to sell them and defray charges from any net proceeds of sale or at your expense to consign them to the local authority for disposal.

18. Settlement. After sale settlement of the net sum due to you normally takes place within 28 days of the sale (by crossed cheque to the seller) unless the buyer has not paid for the goods. In this case no settlement will then be made but we will take your instructions in the light of our Conditions of Sale. You authorise any sums owed by you to us on other transactions to be deducted from the sale proceeds. You must note the liability to reimburse the proceeds of sale to us as under the circumstances provided for in Condition 12 above. You should therefore bear this potential liability in mind before parting with the proceeds of sale until the expiry of 28 days from the date of sale.

 - (b) pay to us the total amount due or in such other way as is agreed by us.
- (2) Any payments by you to us may be applied by us towards any sums owing from you to us on any account whatever without regard to any directions of you or your agent, whether express or implied.
- (3) Buyers who utilise the services of ATG Live Auctions or any other live internet services are hereby informed that the payment method details that are provided to ATG Live Auctions or any other live internet services as part of the process of registration will, in the absence of compliance with paragraph (1) of this clause, be utilised by us to settle any amounts owing by such buyers to us.

- (3) No purchase can be claimed or removed until it has been paid for.

8. Bristol Auction Rooms / BCVA does not operate a packaging and postal service. Successful buyers must make these arrangements independently, though the saleroom may be able to suggest specialist shipping companies who can advise buyers, this advice is not a recommendation and the saleroom is not liable for any aspect of the packaging and shipping process.

Remedies for non-payment or failure to collect purchases

(1) If any Lot is not paid for in full and taken away in accordance with these Conditions or if there is any other breach of these Conditions, we, as agent for the seller and on our own behalf, shall at our absolute discretion and without prejudice to any other rights we may have, be entitled to exercise one or more of the following rights and remedies:

- (a) to proceed against you for damages for breach of contract;
 - (b) to rescind the sale of that Lot and/or any other Lots sold by us to you;
 - (c) to resell the Lot (by auction or private treaty) in which case you shall be responsible for any resulting deficit in the total amount due (after crediting any part payment and adding any resale costs). Any surplus so arising shall belong to the seller;
 - (d) to remove, store and insure the Lot at your expense and, in the case of storage, either at our premises or elsewhere;
 - (e) to charge interest at a rate not exceeding 1.5% per month on the total amount due to the extent it remains unpaid for more than 3 working days after the sale;
 - (f) to retain that or any other Lot sold to you until you pay the total amount due;
 - (g) to reject or ignore bids from you or your agent at future auctions or to impose conditions before any such bids shall be accepted;
 - (h) to apply any proceeds of sale of other Lots due or in future becoming due to you towards the settlement of the total amount due and to exercise a lien (that is a right to retain possession of) any of your property in our possession for any purpose until the debt due is satisfied.
- (2) We shall, as agent for the seller and on our own behalf pursue these rights and remedies only so far as is reasonable to make appropriate recovery in respect of breach of these conditions

9. Third party liability. All members of the public on our premises are there at their own risk and must note the lay-out of the accommodation and security arrangements. Accordingly neither the auctioneer nor our employees or agents shall incur liability for death or personal injury (except as required by law by reason of our negligence) or similarly for the safety of the property of persons visiting prior to or at a sale.

10. Commission bids. Whilst prospective buyers are/strongly advised to attend the auction and are always responsible for any decision to bid for a particular Lot and shall be assumed to have carefully inspected and satisfied themselves as to its condition we will if so instructed clearly and in writing execute bids on their behalf. Neither the auctioneer nor our employees or agents shall be responsible for any failure to do so.

Where two or more commission bids at the same level are recorded we reserve the right in our absolute discretion to prefer the first bid so made.

11. Warranty of title and availability. The seller warrants to the auctioneer and you that the seller is the true owner of the property consigned or is properly authorised by the true owner to consign for sale and is able to transfer good and marketable title to the property free from any third party claims.

12. Agency. The auctioneer normally acts as agent only and disclaims any responsibility for default by sellers or buyers.

13. Terms of sale. The seller acknowledges that Lots are sold subject to the stipulations of these Conditions in their entirety and on the Terms of Consignment as notified to the consignor at the time of the entry of the Lot.

14. Descriptions and condition

(1) Whilst we seek to describe lots accurately, it may be impractical for us to carry out exhaustive due diligence on each lot. Prospective buyers are given ample opportunities to view and inspect before any sale and they (and any independent experts on their behalf) must satisfy themselves as to the accuracy of any description applied to a lot. Prospective buyers also bid on the understanding that, inevitably, representations or statements by us as to authorship, genuineness, origin, date, age, provenance, condition or estimated selling price involve matters of opinion. We undertake that any such opinion shall be honestly and reasonably held and accept liability for opinions given negligently or fraudulently. Subject to the foregoing neither we the auctioneer nor our employees or agents nor the seller accept liability for the correctness of such opinions and all conditions and warranties, whether relating to description, condition or quality of lots, express, implied or statutory, are hereby excluded. This Condition is subject to the next following Condition concerning deliberate forgeries and applies save as provided for in paragraph 6 "information to buyers".

(2) Private treaty sales made under these Conditions are deemed to be sales by auction for purposes of consumer legislation.

15. Forgeries. Notwithstanding the preceding Condition, any Lot which proves to be a deliberate forgery (as defined) may be returned to us by you within 21 days of the auction provided it is in the same condition as when bought, and is accompanied by particulars identifying it from the relevant catalogue description and a written statement of defects. If we are satisfied from the evidence presented that the Lot is a deliberate forgery we shall refund the money paid by you for the Lot including any buyer's premium provided that (1) if the catalogue description reflected the accepted view of scholars and experts as at the date of sale or (2) you personally are not able to transfer a good and marketable title to us, you shall have no rights under this condition.

The right of return provided by this Condition is additional to any right or remedy provided by law or by these Conditions of Sale.

General

16. We shall have the right at our discretion, to refuse admission to our premises or attendance at our auctions by any person.

17. (1) Any right to compensation for losses liabilities and expenses incurred in respect of and as a result of any breach of these Conditions and any exclusions provided by them shall be available to the seller and/or the auctioneer as appropriate.

(2) Such rights and exclusions shall extend to and be deemed to be for the benefit of employees and agents of the seller and/or the auctioneer who may themselves enforce them.

18. Any notice to any buyer, seller, bidder or viewer may be given by email or first/second class mail in which case it shall be deemed to have been received by the addressee 48 hours after posting.

19. Special terms may be used in catalogue descriptions of particular classes of items in which case the descriptions must be interpreted in accordance with any glossary appearing at the commencement of the catalogue.

20. Any indulgence extended to bidders, buyers or sellers by us notwithstanding the strict terms of these Conditions or of the Terms of Consignment shall affect the position at the relevant time only and in respect of that particular concession only; in all other respects these Conditions shall be construed as having full force and effect.

21. English law applies to the interpretation of these Conditions.
